The Skinny

This league is for members and non-members of NUCC. You don't have to bring a friend but you do need a partner to make a team (must find your own partner). Your team will compete against other two person teams weekly. All 9-hole rounds will be played on the front nine. The top teams will qualify for playoffs, and the chance to become TNL champs. Leave your wallets at home for the playoffs; the golf is on us! We also need to know what time your team is available to play. The earlier we can get the matches started the better. Tee times will start at 4:00pm with the last time at 6:00pm. **Maximum handicap for nine holes is 20.**

We are also looking for subs. If you are unable to play every Tuesday but would still like a reason to golf and meet some new people, please sign up to be on our sub list. We use subs on a weekly basis.
